 Finished 6th and 8th in his 2 other starts racing without blinkers; the hood is removed for this; his best Beyer and only-exacta finish occurred on a wet-main track so he hopes for a surface switch for best chance; 2-back is a key race where the runner-up and show finisher Beyered 78-76 in next-out AQU-MSW and AQU-25K-maiden-claiming wins; the 3-back show runner won next out in an AQU-MSW with a 73.
