Pinballed at Will Rogers last time, toss it; maybe he didn't care for the good surface either; place horse in the maiden breaker won here 3/25 in a maiden \$15K seller by 3 and a half with a 58 Beyer; the pace should be hot enough to promote the kick; figures to be a late player on the scene if at all.

Runner fresh from his best effort vs. winners but he also has some familiar rivals to try to hold down; slight drop can't hurt, but he will be pushed on the front end; would be careful before taking too short a number.

Been knocking at the door, like fact he has speed but he proved last time he can pass horses too; place horse 1/17 won a \$20K N2L spot, was third beaten over 6 in a \$25K N3L fray; the local win came in a wire-to-wire jaunt when he set a :47.56 half and posted a 50 Beyer; should be right there once again.

 Wonder if something went awry in that muddy effort in the Delta finale?; he took nearly a year off and the race this season are super dull; no speed, no asset; needs a complete reversal of fortune.
