CLOSER LOOK: Five year old gives the level another try after breaking through to wire some of these at the trip last time; gelding will move inside to the fence today and though he will face some others with early foot, he's got the inside path to the top and will likely again have to be run down.

He's another who steps back in with statebreds after fighting back to beat conditioned claimers a couple of weeks ago; maybe the cut back to this trip helps him to settle a bit early and he'll be even more of a factor in the lane, but don't know that he'll be able to repeat.
