

## Saturday Plays

There is racing outside of GP tomorrow.

AQU 3) #3 Vulcan Forge - last 5 races at 1-turn mile:

rallied to win (CFR 51 - fair conditions)

rallied for show (CFR 3 - speed favoring conditions)

rallied for place (CFR 57 - fair conditions)

outclassed behind a winner who will be running for \$16 million today

rallied to win (CFR 7 - speed favoring conditions)

FG 8) #2 Rollin Smoke

Saratoga failures were (CFR 7 - speed favoring conditions) & an OTT mud disaster

Just missed the place in return (CFR 6 - speed favoring conditions)

OP 7) #11 Angelo's Ashes

Premature move to contention in CD finale

Hoping the most recent work was under 150 lbs or so

OP 9) #9 Starstruck Kitten

Overcame CFR 6 to win last

Too bad there's no turf course

SA 3) #3 Sheer Flattery

Last four races vs at least somewhat speed favoring conditions (CFR 12, 16, 8 & 10)

Poor finish in last may keep the public away
