CLOSER LOOK: Four-year-old just getting back to action after a 10 month layoff; he came out sharply when fresh for his debut last summer and his workout times this year have been feisty; must overcome tricky post in a big field but that 72 Beyer Figure is sure interesting.

Comes off his best career run and it was at this distance and class level; he was off the pace quite a bit but now that he puts two long sprints together perhaps he will be closer to begin; he has been busy in the interim; consider.
